CA\$HINO NDT (Nigerian Dream Team) NDT is made up of Ca\$hino , DBlack & SD (Dj) with affiliates like Paragon, Modenine, Dil of Blaq Money & more. The Power Moves EP was released on vinyl only in 1999, the EP received heavy airplay from all specialist shows, majors and pirate stations in the UK, as well being successfully in the UK it was also heavily played in Germany, France, Nigeria and in the US Atl, Connecticut and in other parts of the USA. Since then Ca\$hino and other NDT members have featured on various other projects and compilations most notably Tim Westwoods Presents UK Hip-Hop Vol. 1 and a press/radio/magazine campaign for BTs (British Telecom) online music site. In 2001/2002 Ca\$hino released the Subterranean album on his own Label Rugged-Style Records. The CD is available in UK, Germany, Greece, Spain, Canada, Norway & all online stores such as Amazon, HMV, Tower records and Virgin Mega store. The Subterranean video also received heavy airplay on MTV UK, MTV France amongst other TV outlets. 2006 should see the release on Ca\$hinos second album Strong Tower with collaborations from PMD of EPMD, Paragon, Modenine and a whole NDT section which will have a compilation of Nigerian influenced NDT tracks from Ca\$h & D'Black. SHOUT OUTS TO PARRISH 'PMD' SMITH CA\$HINO/PMD COLLABO COMIN' SOON!!
