

## DJ Don X

### BAND STORY

"

Don X Damola E a.k.a DJ Don X was born in France bred in Nigeria (definitely Nigerian at heart) and currently resides in the States; his background undoubtedly supports his versatility and eclectic taste in music.

He possesses the stereotypical qualities of a Dj which are the good looks, charm and the ability to get a party jumping, but he's also got stuff some Dj's out there ain't got which is mad talent and passion for music. He breathes music, thinks music, talks music and madly loves music; unlike most Dj's who take it as a job, Dj Don X who holds a degree in Aviation Sciences is not necessarily into Djing for the money but rather for the passion he has for it.

Although Dj Don X is an upcoming Dj, he's earned himself a strong reputation of being a dope Dj by dishing out dope mixes where ever he goes from the dopest college parties to the hottest spots in Maryland. Though he's got an eclectic taste in music, he's also got a preference for reggae and nigerian/african riddims. He can dish out reggae mixes that will get \*Bob Marley willy bouncing in his grave, lol and drop then fela and femi joints that'll have my people gyrattin' Being one of the hottest Dj's in the Washington metropolitan area. From the streets of Queens, New York to the quiet hills of Eastern Shore, Don X has blessed dance floors across the east coast with his multicultural/multinational party mixes.

Inspired by Naija artists such as Maintain and Lagbaja he incorporates Hip-hop and R&B tunes with the Afro
